

ABOUT THE PALMS COURSES

The Palm and Valley courses at Desert Springs Golf Club were designed by acclaimed architect Ted Robinson Sr., and built in the mid-1980s. Robinson was renowned as the “King of Waterscapes,” and these golf courses incorporate 35 acres of sparkling streams, lakes and cascading waterfalls—providing a tropical oasis here in the desert.

Desert Springs Palm Course

ITRON INSPIRE GOLF TOURNAMENT

The tournament will be held on **October 6, 2024** at Desert Springs Palm Course, a course that both challenges and amazes. The Palm Course, a 6,761-yard, par 72 from the back tees, is named after the signature palm trees that flank the fairways and adorn the greens. The golf course also incorporates mogul-like mounding that comes into play on several holes. At Desert Springs Golf Club, the layouts also feature undulating fairways, multi-tiered greens and white-sand bunkers to challenge even the best golfers.

This tournament is a scramble format with a shotgun start at 8 a.m. The cost of this fun filled tournament is \$199, which includes a light breakfast, tournament play, and the awards luncheon that follows. If you need clubs, they are available to rent for an additional \$55.

We are very excited to offer you the chance to play this great course as a part of Itron Inspire 2024. Talk to your Itron representative today and reserve your spot for this year’s outstanding tournament.
